About ThriveShift

ThriveShift is a community-driven nonprofit helping individuals and families move from survival to stability through education, life-skill development, mentorship, and supportive resources.

Our Learn & Grow program combines academic tutoring with mentorship and life skills to help students in grades 3–8 build confidence, strengthen academic skills, and develop habits that support long-term success.

We are seeking dependable and engaging Tutors to provide individualized or small-group academic support while encouraging positive learning habits and student growth.

Key Responsibilities

- Support students with reading, math, and homework
 - Help students practice and build basic academic skills
 - Encourage good study habits and a positive attitude toward learning
 - Check in with program staff about student progress or concerns
 - Help create a safe, positive, and supportive learning environment
-

Qualifications

- Experience tutoring, mentoring, teaching, or working with youth
 - Strong communication and interpersonal skills
 - Education, child development, or another collegiate academic program
 - Reliable, patient, and organized with a passion for supporting underserved youth
-

Why Join ThriveShift

Make a meaningful impact by supporting students as they grow academically and build confidence in a positive, mission-driven environment.
